User Broadcast Tags

Set up the tag in the 'Broadcast Tag' section first

<p>EDIT</p> 	<p>The pencil icon displays who can receive the alert broadcasts</p> <p>The envelope icon displays who can send alert broadcasts. The 'Create and Send Messages' box needs to be checked in their user permissions for their name to be displayed in this list.</p>

New Members and Licences

Licences can be added or removed by clicking on the + or – beside the member's name. Accept new members in the 'Group Request' area first then assign a licence.
