RFS ACTIV Standard Operating Procedures

Maintain your availability in the roster; green if immediately available, red if not available, orange if available in an hour or so.

- Respond to alert calls with the buttons
- Members should reply with a green Thumbs Up only if immediately available (max 15 minutes to the station)
- Wait for the truck allocation message before driving to the station
- Do not respond to the daily weather/FDR updates
- 'STAND BY' — you may be required, be ready to drive to the station, wait for allocation to a truck
- 'STAND DOWN' – you will not be required for the incident
- Respond with the orange button if you are not currently available, but available for a later shift
- Do not use messaging or discussion unless specifically requested
- Respond to TRAINING and TEST messages as required
